**LOWER TOWNSHIP MUNICIPAL UTILITIES AUTHORITY
RESOLUTION NO. 80-2026**

**AUTHORIZING THE PURCHASE OF WATER METERS AND RADIOS
THROUGH THE NATIONAL COOPERATIVE PURCHASING AGREEMENT**

WHEREAS, Pursuant to Resolution 37-2017 The Lower Township Municipal Utilities Authority (Authority) authorized joining the National Joint Powers Alliance (NJPA) which has since become SOURCEWELL, and;

WHEREAS, The Authority intends to award a contract for the purchase of **one hundred seventy-five (175) 520M M2 S/Point Radios and one hundred seventy-five (175) IPERL 5/8" WATER meters and accessories**, from Core & Main through the SOURCEWELL CONTRACT #040825-CAM, in the amount of \$59,850.00, and;

WHEREAS, Pursuant to the requirements of Public Law 2010 Chapter 139 and the Local Public Contracts Law the Authority verifies the following in reference to the SOURCEWELL contract: #040825-CAM for water meters and radios

1. That the use of the cooperative purchasing agreement shall result in cost savings after all factors, including charges for service, material, and delivery, has been considered by one of the following:
 - a. Comparing current State contract pricing, available to other government entities, to that of the proposed national cooperative.
 - b. Comparing pricing for comparable goods or services under the contracting unit's current contracts or contracts available to it (i.e., New Jersey government based cooperative purchasing programs) to that of the proposed national cooperative.
 - c. Comparing recently procured comparable contracts entered by other public entities to that of the proposed national cooperative.

2. The national cooperative contract was awarded through a "competitive bidding process" that included open competition, or competition among those qualified or pre-qualified, submission of bids, and awarded pursuant to a "lowest responsible", "most advantageous to the public entity, price and other factors considered", or other similar standard employed by a public entity. This excludes contract awards based on unadvertised, "invitation only," negotiated, local preference, or sole source procurement practices.

3. The "competitive bidding process" that was used by the original contract awarding agency complies with N.J.S.A. 19:44A-20.4 and 20.5 (pay-to-play laws) and at a minimum, the original contract awarding agency did the following:
 - a. Publicly advertised in newspapers or on the Internet website maintained by the public entity in sufficient time to give notice in advance of the contract;
 - b. Awarded under a process that provides for public solicitation of proposals or qualifications;
 - c. Awarded and disclosed under criteria established in writing by the public entity prior to the solicitation of proposals or qualifications; and
 - d. Publicly opened and announced when awarded

4. The contract being awarded must have been awarded by a contracting unit as defined in c. 139, and was not awarded by a non-profit or private organization, even if a member of the

cooperative. Stated differently, the original contract awarding agency meets the definition of a “contracting unit” as defined by New Jersey purchasing statutes.

5. The original bid was advertised as a national cooperative contract (or a regional contract that includes New Jersey in its region) – not as a strictly local contract that was made “national” or “regional” after the receipt of bids.
6. The vendor will comply with the following New Jersey laws by submitting the following required forms to the Authority, as if the contract was originally awarded by the Authority:
 - a. New Jersey Business Registration Certificate for the contractor and any sub-contractors (i.e., copy of certificate)
 - b. Statement of Corporate Ownership (an original form prepared for the contracting agency awarding the contract)
 - c. Public Contract EEO Compliance (Employee Information Report form or proof of participation in a federally approved affirmative action program) A non-collusion affidavit (only if required by a local unit), and.

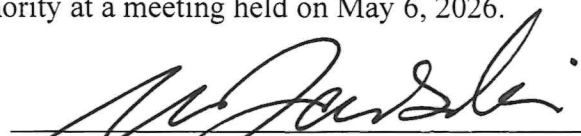

NOW, THEREFORE, BE IT RESOLVED by the Lower Township Municipal Utilities Authority as follows:

1. This resolution approving the purchase of **one hundred seventy-five (175) 520M M2 S/Point Radios and one hundred seventy-five (175) IPERL 5/8” WATER meters and accessories through the contract # 040825-CAM in the amount of \$59,850.00 be adopted**
2. A Notice -To-Purchase was properly advertised on April 21, 2026.
3. This Resolution shall only be effective when a copy of the certification of availability of funds prepared by the Authority’s Certifying Finance Officer is attached hereto.

Original Contract Amount: **\$712,000.00**

Amended Contract; **\$723,800.43 (pending)**

Dear Steve:

As you are aware, the Authority on March 2, 2026 experienced an emergency event at the Poplarwood Pump Station that required Level -1 Construction to engage its subcontractor, Colt Services, to respond immediately. Colt Service's total invoice to Level -1 for the work that day (9 hrs.) was \$ 40,284.44. In reviewing the subcontractor's invoice, I find that the contractor incurred \$4,317.43 for labor, \$1,987.97 for equipment and \$3,023.00 for materials for tasks completed beyond Level-1's contract scope. The subcontractor is allowed a 15% markup for overhead and profit, while the contractor adds an additional 10%, bringing the total change order cost to **\$11,800.43**.

This amount in my opinion is appropriate, and I recommend approving the change order

Should you have any questions please do not hesitate to call or e-mail me.

Sincerely,

In the event that the repayment obligation set forth in this Note is received by the I-Bank later than the Maturity Date or the Payment Date, as the case may be, a late fee shall be payable to the I-Bank in an amount equal to the greater of twelve percent (12%) per annum or the prime rate as published in the Wall Street Journal on the Maturity Date or the Payment Date, as the case may be, plus one half of one percent per annum on such late payment from the Maturity Date or the Payment Date, as the case may be, to the date it is actually paid; provided, however, that any late payment charges incurred hereunder shall not exceed the maximum interest rate permitted by law.

(d) Notwithstanding the provisions of this Note to the contrary with respect to the funding, pursuant to Section 4(a) hereof, of any Loan Disbursement Requisition relating to all or any portion of the Project, the Borrower hereby acknowledges and agrees, as follows: (i) the I-Bank shall not, and shall not be required to, commit funds, pursuant to the Water Bank Construction Financing Program of the I-Bank, to any portion of the Project until such time as the particular portion of the Project in question has been certified for funding by the NJDEP; (ii) no Loan Disbursement Requisition shall be approved by the I-Bank for disbursement pursuant to Section 4(a) hereof unless and until the portion of the Project to which such Loan Disbursement

Requisition relates has been certified for funding by the NJDEP; (iii) no Loan Disbursement Requisition shall be approved by the I-Bank for disbursement pursuant to Section 4(a) hereof unless and until the Appropriation Condition has been satisfied to an extent and in an amount that is sufficient to fund, in the aggregate, the particular Loan Disbursement Requisition in question and all prior Loan Disbursement Requisitions; and (iv) the I-Bank has no obligation pursuant to this Note to make all or any portion of any Loan Disbursement Requisition disbursement pursuant to the provisions of Section 4(a) hereof if the Borrower lacks the authority to pay interest on this Note in an amount equal to the Interest Rate.

SECTION 5. Unconditional Obligations. The obligation of the Borrower to make the Loan repayments and all other payments required hereunder and the obligation to perform and observe the other duties, covenants, obligations and agreements on its part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner whatsoever while any Loan repayments, or any other payments due hereunder, remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or Environmental Infrastructure System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the I-Bank to perform and observe any agreement or any duty, liability or obligation arising out of this Note, or any rights of set-off, recoupment, abatement or counterclaim that the Borrower might have against the I-Bank or any other party; provided, however, that payments hereunder shall not constitute a waiver of any such rights.

SECTION 6. Events of Default. The following events shall constitute an “Event of Default” hereunder: (i) failure by the Borrower to pay, when due, any and all of its Loan repayment obligations hereunder, and any other payment obligations due hereunder; (ii) failure by the Borrower to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed pursuant to the terms of this Note; (iii) any representation made by the Borrower contained in this Note or in any instrument furnished in compliance with or with reference to this Note is false or misleading in any material respect; and (iv) a petition is filed by or against the Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Note or thereafter enacted, unless in the case of any such petition filed against the Borrower such petition shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal, or the Borrower shall become insolvent or bankrupt or shall make an assignment for the benefit of its creditors, or a custodian of the Borrower or any of its property shall be appointed by court order or take possession of the Borrower or its property or assets if such order remains in effect or such possession continues for more than thirty (30) days.

SECTION 7. Remedies upon Event of Default. Whenever an Event of Default shall have occurred and be continuing pursuant to the terms hereof, the Borrower hereby acknowledges and agrees to the rights of the I-Bank to take any action permitted or required at law or in equity to collect the amounts then due and thereafter to become due hereunder or to enforce the observance and performance of any duty, covenant, obligation or agreement of the Borrower

hereunder. If an Event of Default shall have occurred, the Borrower hereby acknowledges and agrees that the I-Bank shall have the right to (i) immediately cease disbursements of the proceeds of the Loan, and/or (ii) declare all Loan repayments and all other amounts due hereunder to be due and payable immediately without further notice or demand. The Borrower hereby acknowledges and agrees that no remedy herein is intended to be exclusive, and every remedy shall be cumulative and in addition to every other remedy given under this Note or now or hereafter existing at law or in equity. The Borrower hereby further acknowledges and agrees that no delay or omission by the I-Bank to exercise any remedy or right accruing upon any Event of Default shall impair any such remedy or right or shall be construed to be a waiver thereof, but any such remedy or right may be exercised as often as may be deemed expedient. The Borrower hereby further acknowledges and agrees that, pursuant to the "New Jersey Infrastructure Bank Credit Policy", adopted by the Board of Directors of the I-Bank, and as further amended and supplemented from time to time (the "Credit Policy"), during such time as an Event of Default has occurred and is continuing hereunder, the Borrower shall be ineligible for additional financial assistance from the I-Bank (including, without limitation, long-term financing through the Anticipated Financing Program), in addition to certain other consequences set forth in the Credit Policy. The Borrower hereby agrees that upon demand it shall pay to the I-Bank the reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of in-house counsel and legal staff) incurred in the collection of Loan repayments or any sum due hereunder or in the enforcement of the observation or performance of any obligations or agreements of the Borrower upon an Event of Default. Any moneys collected by the I-Bank pursuant to this Section 7 shall be applied first to pay any attorneys' fees or other fees and expenses owed by the Borrower.

SECTION 8. Certain Miscellaneous Provisions. The Borrower hereby acknowledges and agrees as follows: (a) all notices hereunder shall be deemed given when hand delivered or when mailed by registered or certified mail, postage prepaid, to the Borrower at the following address: The Township of Lower Municipal Utilities Authority, 2900 Bayshore Rd, Villas, New Jersey 08251, Attention: Executive Director; and to the I-Bank at the following address: New Jersey Infrastructure Bank, 3131 Princeton Pike, Building 4, Suite 216, Lawrenceville, New Jersey 08648-2201, Attention: Executive Director; (b) this Note shall be binding upon the Borrower and its successors and assigns; (c) in the event any provision of this Note is held illegal, invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate, render unenforceable or otherwise affect any other provision hereof; (d) the obligations of the Borrower pursuant to the terms of this Note may not be assigned by the Borrower for any reason, unless the I-Bank shall have approved said assignment in writing; (e) this Note may not be amended, supplemented or modified without the prior written consent of the I-Bank; (f) this Note shall be governed by and construed in accordance with the laws of the State; (g) the Borrower shall, at the request of the I-Bank, execute and deliver such further instruments as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Note; (h) whenever the Borrower is required to obtain the determination, approval or consent of the I-Bank pursuant to the terms hereof, such determination, approval or consent may be either granted or withheld by the I-Bank in its sole and absolute discretion; and (i) consistent with the provisions of N.J.S.A. 58:11B-13, neither the directors of the I-Bank nor any officers of the I-Bank taking any action with respect to this Loan shall be liable personally with respect to the Loan or any matters or transactions related thereto.

The purpose for which the NJIB Bonds are being issued is to fund the 2026 Project.

Section 302. **Description of NJIB Bonds.**

The NJIB Bonds shall be two (2) in number and issued to the NJIB and State, respectively with interest rates fixed to maturity, shall be dated such date as required by the NJIB, numbered R-1 upward, shall mature over a term not exceeding thirty (30) years, or such other date as determined by the NJIB, and be payable on the dates and in the years and in the amounts as provided for by this Supplemental Resolution, the Financing Documents and/or subparagraph (2) of this Section.

Only such NJIB Bonds as shall bear thereon such certificate of authentication, duly executed, shall be entitled to any right or benefit under the Junior Lien General Bond Resolution. No NJIB Bond shall be valid or obligatory for any purpose unless such certificate of authentication upon such NJIB Bond shall have been duly executed by the Trustee, and such certificate of authentication by the Trustee upon any NJIB Bond executed on behalf of the Authority shall be conclusive and the only evidence that the NJIB Bond so authenticated has been duly authenticated and delivered under this Supplemental Resolution and that the holder thereof is entitled to the benefits of the Junior Lien General Bond Resolution.

(End of Article III)

ARTICLE IV

Miscellaneous

Section 401. **Supplemental Resolutions; Amendment of Supplemental Resolution.** At any time or from time to time, a Supplemental Resolution of the Authority may be adopted for the purpose of supplementing or amending this Supplemental Resolution.

Section 402. **Signing Powers.** The Authority Officers are hereby severally authorized and, after satisfaction of all conditions precedent thereto and after consultation with the professionals working on behalf of the Authority, are hereby severally directed to execute or acknowledge, as the case may be, or cause to be executed or acknowledged such other certificates, notices, instruments, agreements and other documents in such form as the Executive Director, after consultation with the professionals working on behalf of the Authority, shall determine to be necessary, desirable or convenient in order to effect the issuance of NJIB Bonds or any other transaction contemplated hereby and thereby, which respective forms thereof shall be dispositively evidenced by the Authority Officer's execution or acknowledgment, as the case may be, and delivery thereof or with respect to such documents of a party other than the Authority, shall be evidenced by an Authority Officer's execution thereof.

Section 403. **Reimbursement.** The Authority intends to finance the Project with the NJIB Bonds but may pay for certain costs of the Project (the "Project Costs") prior to the issuance of the NJIB Bonds with funds of the Authority that are not borrowed funds. The Authority reasonably expects to reimburse its expenditure of Project Costs paid prior to the issuance of the NJIB Bonds with proceeds of its NJIB Bonds. This resolution is intended to be and hereby is a declaration of the Authority's official intent to reimburse the expenditure of Project Costs paid prior to the issuance of the NJIB Bonds with the proceeds of a borrowing to be incurred by the Authority, in accordance with Treasury Regulations §150-2. The maximum principal amount of the NJIB Bonds expected to be issued to finance the Project is \$4,100,000. The Project Costs to be reimbursed with the proceeds of the NJIB Bonds will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Code. The proceeds of the NJIB Bonds used to reimburse the Authority for Project Costs, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of the NJIB Bonds or another issue of debt obligations of the Authority, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than the NJIB Bonds is paid, or (ii) the date the Project is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

Section 404. **Publication and Filings by Board Secretary.** The Secretary of the Authority, or any member, officer or staff member of the Authority, is hereby authorized and directed to file a certified copy of this Supplemental Resolution for public inspection in the office of the Authority and in the office of the Clerk of the Township and to cause to be posted on said

Township's or posted on the Authority's website a notice of adoption and said notice of adoption shall remain on said website for a minimum of seven (7) days thereafter in accordance with the provisions of N.J.S.A. 40:14B-28. The Board Secretary or Assistant Board Secretary of the Authority is hereby further directed to file a certified copy of this Supplemental Resolution in (a) the office of the Clerk of the Township of Lower, New Jersey and (b) the office of Trustee.

Section 405. **Effective Date.** This Supplemental Resolution shall take effect in accordance with applicable law.

ARTICLE IV

Continuing Market Disclosure; Miscellaneous

Section 401. Continuing Market Disclosure. If applicable, and solely for purposes of complying with Rule 15c2-12 of the Securities and Exchange Commission, as amended and interpreted from time to time (the "Rule"), and provided that the 2026 Project Note is not exempt from the Rule, for so long as the 2026 Project Note remains outstanding (unless the 2026 Project Note has been wholly defeased), the Authority shall provide for the benefit of the holders of the 2026 Project Note and the beneficial owners thereof, in a timely manner, to the Municipal Securities Rulemaking Board, notice of any certain events set forth and required by the Rule with respect to the 2026 Project Note:

If all or any part of the Rule ceases to be in effect for any reason, then the information required to be provided under this 2026 Supplemental Resolution, insofar as the provision of the Rule no longer in effect required the provision of such information, shall no longer be required to be provided.

The Executive Director and Chairperson are each hereby authorized to enter into additional written contracts or undertakings to implement the Rule and/or to comply with the terms set forth in the Loan Documents, and are each further authorized to amend such contracts or undertakings or the undertakings set forth in this 2026 Supplemental Resolution, provided such amendment is, in the opinion of nationally recognized bond counsel, in compliance with the Rule or would have been in compliance with the Rule if such amended undertaking had been entered into at the time of the issuance of the 2026 Project Note.

In the event that the Authority fails to comply with the Rule or the written contracts or undertakings specified in this 2026 Supplemental Resolution or in the Loan Documents, the Authority shall not be liable for monetary damages, remedy being hereby specifically limited to specific performance of the Rule requirements or the written contracts or undertakings therefor.

Section 402. Additional Acts. The Chairperson and any other officer of the Authority, and the staff and consultants or professionals of the Authority are hereby authorized and directed to take all actions which are necessary or which are convenient to effectuate the terms of the Project Note Resolution in connection with the issuance, sale and delivery of the 2026 Project Note.

Section 403. Covenant of Authority as to Compliance with Federal Tax Matters. The Authority hereby covenants that it will take all actions within its control that are necessary to assure that interest on the 2026 Project Note is excludable from gross income under the Code and the Authority will refrain from taking any action that would adversely affect the exclusion of interest on the 2026 Project Note from gross income under the provisions of the Code.

Section 404. Reimbursement. The Authority intends to finance the Project with the 2026 Project Notes but may pay for certain costs of the Project (the "Project Costs") prior to the issuance of the 2026 Project Notes with funds of the Authority that are not borrowed funds. The

Authority reasonably expects to reimburse its expenditure of Project Costs paid prior to the issuance of the 2026 Project Notes with proceeds of its 2026 Project Notes. This resolution is intended to be and hereby is a declaration of the Authority's official intent to reimburse the expenditure of Project Costs paid prior to the issuance of the 2026 Project Notes with the proceeds of a borrowing to be incurred by the Authority, in accordance with Treasury Regulations §150-2. The maximum principal amount of the 2026 Project Notes expected to be issued to finance the Project is \$4,100,000. The Project Costs to be reimbursed with the proceeds of the 2026 Project Notes will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Code. The proceeds of the 2026 Project Notes used to reimburse the Authority for Project Costs, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of the 2026 Project Notes or another issue of debt obligations of the Authority, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than the 2026 Project Notes is paid, or (ii) the date the Project is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

Section 405. Miscellaneous, Publication and Filings by Board Secretary. The Secretary of the Authority, or any member, officer or staff member of the Authority, is hereby authorized and directed to file a certified copy of this Supplemental Resolution for public inspection in the office of the Authority and in the office of the Clerk of the Township and to cause to be posted on said Township's or posted on the Authority's website a notice of adoption and said notice of adoption shall remain on said website for a minimum of seven (7) days thereafter in accordance with the provisions of N.J.S.A. 40:14B-28. The Board Secretary or Assistant Board Secretary of the Authority is hereby further directed to file a certified copy of this 2026 Supplemental Resolution in (a) the office of the Clerk of the Township of Lower, New Jersey and (b) the office of Trustee.

Section 406. Effective Date. This 2026 Supplemental Resolution shall take effect in accordance with applicable law.
