WINTER

Hats & Gloves

NOVEMBER & DECEMBER

Kris Cooper Warm Kids Project.

Kris was a 3rd grade teacher in Odessa who unfortunately lost the battle of life after fighting MS. Through the generosity of our local community with monetary gifts & donations of coats, hats & gloves, Kris' mom Gail Cooper was able to fulfill the cry of her heart making sure no kiddo within the Odessa school district was going to be cold. Gail recently passed away & we would like to keep their legacy going with the demand in our community being greater than ever!
