Nici,

Officers worked over 630 incidents in December. Here are just a few statistics:

- \*158 traffic stops resulting in 12 vehicle searches and 11 arrests. 1 in 8 stops resulted in a citation/ticket. 70% of these traffic stops were conducted on city streets and residential areas (30% State highways i.e., 131, 40, and OO)
- \*16 charged felony investigations
- \*13 mental health calls, check the well-being calls, or similar calls
- \*46 various disturbances
- \*17 assist other agency calls
- \*92 follow-up investigations on previously reported incidents

I'm proud to announce that Officer Derek Zarda and Officer Andrew Lockhart are recipients of the Letter of Commendation Life Saving Award. These two officers were given the award after an incident on November 29, 2021, in which both officers used their training in first aid and CPR to provide life saving measures to an unresponsive patient in immediate need of medical intervention. I've included a copy of the letter of commendation for your review.

Street Department employees and I have installed the temporary stop signs on Golf Street at 7<sup>th</sup> Street. I have notified the residents that live around the intersection of the temporary stop sign location and the purpose. Once we've completed our study I will report my findings.

I've applied for the Local Law Enforcement Block Grant that will assist in the purchase of new light-bars and sirens for our police vehicles. The grant is provided by the Missouri Department of Public Safety and is designed to offer funds to purchase officer safety equipment. The light-bar and siren equipment being used currently is 10+ years old. If awarded, the grant will provide 100% funding for the \$9,975.00 project. I will keep you posted on our award status.

I have had additional meetings with Finance Director Shawna Davis regarding this upcoming budget. Again, I'm very happy to see her excitement and share ideas about our police budget moving forward. The discussion was very constructive and I look forward for additional meetings. We will schedule follow up budget meetings.

The police department's new copy machine has been installed and is working very well. It is much faster and more reliable. I'd like to thank Finance Director Shawna Davis for her hard work on getting the new copiers.

On December 15, 2021, I attended a virtual training for the National Center for Missing and Exploited Children's online training portal. This new portal will assist our police officers in training areas related to missing and runaway children, human trafficking and child crime investigations.

On December 16, 2021, I attended the quarterly 911 Dispatch meeting in Higginsville, MO. We discussed 911 tax revenues, current and future dispatch operations. Higginsville 911 dispatches for the Lafayette County Sheriff's Office, multiple police departments (including Odessa), multiple fire and ambulance districts, and some utility services.

**Special note:** As our community enjoyed spending time with family and friends this Christmas and New Year's season, the Odessa Police Department did not shut down. Odessa officers, detectives and supervisors worked through the holiday and made sure our community remained safe. Thank you to all emergency services that work holidays protecting our citizens!

Respectfully,

Josh Thompson

Chief of Police & Emergency Management Director

Letter of Commendation Life Saving Award

The Odessa Police Department believes in the recognition of officers, their actions and outstanding efforts in service to the community and their fellow officers. In keeping with this belief, the City of Odessa and the Odessa Police Department recognize Officer Derek Zarda and Officer Andrew Lockhart for their outstanding efforts that occurred on November 29, 2021.

On Monday, November 29, 2021, at approximately 8:19 pm, Officer Zarda and Officer Lockhart responded to a medical call in the 300 Block of East Mason. Odessa Officers often respond as first responders to assist local ambulance services. Both officers encountered an unresponsive person who was blue to the face and not breathing. They quickly used their training in first aid and started CPR. The officers maintained CPR for many minutes until the ambulance personnel were on scene to take over. The unresponsive patient was revived and then transported to a medical facility for further care. All Odessa Officers are trained in first aid and CPR.

Officer Zarda's and Officer Lockhart's quick response, recognition of the severity of the medical emergency, immediate actions and effective CPR resulted directly in saving the life of this person. A failure to act or action after delay could have led to a tragic outcome.

Therefore, Officer Zarda's and Officer Lockhart's actions qualify them for this Life Saving Award and bestows upon them the Department's and the City's appreciation.

Respectfully,

Josh Thompson, Chief of Police

3. Lease Payments; Current Expense You will pay us the lease payments, including the final lease payment set forth above (collectively, the "Lease Payments"). FAILED Invocation of method in class java.lang.String threw exception java.lang.NullPointerException at custom script[line 48, column 59]. A portion of each Lease Payment constitutes interest and the balance of each Lease Payment is payment of principal. The Lease Payments will be due without demand. You will pay the Lease Payments to us at CATERPILLAR FINANCIAL SERVICES CORP., P.O. BOX 100647, PASADENA, CA 91189-0647 or such other location that we designate in writing. Your obligations, including your obligation to pay the Lease Payments due in any fiscal year, will constitute a current expense of yours for such fiscal year and will not constitute an indebtedness of yours within the meaning of the constitution and laws of the State in which you are located (the "State"). Nothing in this Agreement will constitute a pledge by you of any taxes or other moneys, other than moneys lawfully appropriated from time to time for the payment of the "Payments" (as defined in the last sentence of this Section) owing under this Agreement. You agree that, except as provided in Section 7, your duties and liabilities under this Agreement and any associated documents are absolute and unconditional. Your payment and performance obligations are not subject to cancelation, reduction, or setoff for any reason. You agree to settle all claims, defenses, setoffs, counterclaims and other disputes you may have with the Supplier, the manufacturer of the Unit, or any other third party directly with the Supplier, the manufacturer or the third party, as the case may be. You will not assert, allege or make any such claim, defense, setoff, counterclaim or other dispute against us or with respect to the payments due us under this Agreement. As used in this Agreement, "Payments" will mean the Lease Payments and any other amounts required to be paid by you.

The portion of the Lease Payments constituting principal will bear interest (computed on the basis of actual days elapsed in a 360 day year) at the rate of 2.99% per annum.

- 4. Late Charges If we do not receive a Payment on the date it is due, you will pay to us, on demand, a late payment charge equal to the lesser of five percent (5%) of such Payment or the highest charge allowed by law.
- 5. Security Interest To secure your obligations under this Agreement, you grant us a continuing first priority security interest in each Unit (including any Additional Collateral), including all attachments, accessories and optional features (whether or not installed on such Units) and all substitutions, replacements, additions, and accessions, and the proceeds of all the foregoing, including, but not limited to, proceeds in the form of chattel paper. You authorize the filing of such financing statements and will, at your expense, do any act and execute, acknowledge, deliver, file, register and record any document, which we deem desirable to protect our security interest in each Unit and our rights and benefits under this Agreement. You, at your expense, will protect and defend our security interest in the Units and will keep the Units free and clear of any and all claims, liens, encumbrances and legal processes however and whenever arising.
- 6. Disclaimer of Warranties WE HAVE NOT MADE AND DO NOT MAKE ANY WARRANTY, REPRESENTATION OR COVENANT OF ANY KIND, EXPRESS OR IMPLIED, AS TO THE UNITS. AS TO US, YOUR LEASE AND PURCHASE OF THE UNITS WILL BE ON AN "AS IS" AND "WHERE IS" BASIS AND "WITH ALL FAULTS". Nothing in this Agreement is intended to limit, waive, abridge or otherwise modify any rights, claims, or causes of action that you may have against any person or entity other than us.
- 7. Non-Appropriation You have an immediate need for, and expect to make immediate use of, the Units. This need is not temporary or expected to diminish during the term of this Agreement. To that end, you agree, to the extent permitted by law, to include in your budget for the current and each successive fiscal year during the term of this Agreement, a sufficient amount to permit you to

discharge your obligations under this Agreement. Notwithstanding any provision of this Agreement to the contrary, we and you agree that, in the event that prior to the commencement of any of your fiscal years you do not have sufficient funds appropriated to make the Payments due under this Agreement for such fiscal year, you will have the option of terminating this Agreement as of the date of the commencement of such fiscal year by giving us sixty (60) days prior written notice of your intent to terminate. No later than the last day of the last fiscal year for which appropriations were made for the Payments (the "Return Date"), you will return to us all of the Units, at your sole expense, in accordance with Section 14, and this Agreement will terminate on the Return Date without penalty or expense to you and you will not be obligated to pay the Lease Payments beyond such fiscal year; provided, that you will pay all Payments for which moneys have been appropriated or are otherwise available; and provided further, that you will pay month-to-month rent at the rate set by us for each month or part of any month that you fail to return the Units.

- 8. Tax Warranty You will, at all times, do and perform all acts and things necessary and within your control to ensure that the interest component of the Lease Payments will, for the purposes of Federal income taxation, be excluded from our gross income. You will not permit or cause your obligations under this Agreement to be guaranteed by the Federal Government or any branch or instrumentality of the Federal Government. You will use the Units for the purpose of performing one or more of your governmental functions consistent with the scope of your authority and not in any trade or business carried on by a person other than you. You will report this Agreement to the Internal Revenue Service by filing Form 8038G, 8038GC or 8038, as applicable. Failure to do so will cause this Agreement to lose its tax exempt status. You agree that if the appropriate form is not filed, the interest rate payable under this Agreement will be raised to the equivalent taxable interest rate. If the use, possession or acquisition of the Units is determined to be subject to taxation, you will pay when due all taxes and governmental charges assessed or levied against or with respect to the Units.
- 9. Assignment You may not, without our prior written consent, by operation of law or otherwise, assign, transfer, pledge, hypothecate or otherwise dispose of your right, title and interest in and to this Agreement and/or the Units and/or grant or assign a security interest in this Agreement and/or the Units, in whole or in part. We may not transfer, sell, assign, pledge, hypothecate, or otherwise dispose of our right, title and interest in and to this Agreement and/or the Units and/or grant or assign a security interest in this Agreement and/or the Units, in whole or in part.
- 10. Indemnity To the extent permitted by law, you assume liability for, agree to and do indemnify, protect and hold harmless us and our employees, officers, directors and agents from and against any and all liabilities, obligations, losses, damages, injuries, claims, demands, penalties, actions, costs and expenses (including reasonable attorney's fees), of whatsoever kind and nature, arising out of the use, condition (including, but not limited to, latent and other- defects and whether or not discoverable by you--or us), operation, ownership, selection, delivery, storage, leasing or return of any item of Units, regardless of where, how and by whom operated, or any failure on your part to accept the Units or otherwise to perform or comply with any conditions of this Agreement.
- 11. 11. Insurance; Loss and Damage You bear the entire risk of loss, theft, destruction or damage to the Units from any cause whatsoever. No loss, theft, destruction or damage of the Units will relieve you of the obligation to make Lease Payments or to perform any obligation owing under this Agreement. You agree to keep the

- Units insured to protect all of our interests, at your expense, for such risks, in such amounts, in such forms and with such companies as we may require, including but not limited to fire and extended coverage insurance, explosion and collision coverage, and personal liability and property damage liability insurance. Any insurance policies relating to loss or damage to the Units will name us as loss payee as our interests may appear and the proceeds may be applied toward the replacement or repair of the Units or the satisfaction of the Payments due under this Agreement. You agree to use, operate and maintain the Units in accordance with all laws. regulations and ordinances and in accordance with the provision of any policies of insurance covering the Units, and will not rent the Units or permit the Units to be used by anyone other than you. You agree to keep the Units in good repair, working order and condition and house the Units in suitable shelter, and to permit us or our assigns to inspect the Units at any time and to otherwise protect our interests in the Units. If any Unit is customarily covered by a maintenance agreement, you will furnish us with a maintenance agreement by a party acceptable to us.
- 12. Default; Remedies An "Event of Default" will occur if (a) you fail to pay any Payment when due and such failure continues for ten (10) days after the due date for such Payment or (b) you fail to perform or observe any other covenant, condition, or agreement to be performed or observed by you under this Agreement and such failure is not cured within twenty (20) days after written notice of such failure from us. Upon an Event of Default, we will have all rights and remedies available under applicable law. In addition, we may declare all Lease Payments due or to become due during the fiscal year in which the Event of Default occurs to be immediately due and payable by you and/or we may repossess the Units by giving you written notice to deliver the Units to us in the manner provided in Section 14, or in the event you fail to do so within ten (10) days after receipt of such notice, and subject to all applicable laws, we may enter upon your premises and take possession of the Units. Further, if we financed your obligations under any extended warranty agreement such as an Equipment Protection Plan, Extended Service Contract, Extended Warranty, Customer Service Agreement, Total Maintenance and Repair Agreement or similar agreement, we may cancel such extended warranty agreement on your behalf and receive the refund of the extended warranty agreement fees that we financed but had not received from you as of the date of the Event of Default,
- 13. Miscellaneous This Agreement may not be modified, amended, altered or changed except by a written agreement signed by you and us. In the event any provision of this Agreement is found invalid or unenforceable, the remaining provisions will remain in full force and effect. This Agreement, together with exhibits, constitutes the entire agreement between you and us and supersedes all prior and contemporaneous writings, understandings, agreements, solicitations, documents and representations, expressed or implied. Any terms and conditions of any purchase order or other documents submitted by you in connection with this Agreement which are in addition to or inconsistent with the terms and conditions of this Agreement will not be binding on us and will not apply to this Agreement. You agree that we may correct patent errors in this Agreement and fill in blanks including, for example, correcting or filling in serial numbers, VIN numbers, and dates. Any notices required to be given under this Agreement will be given to the parties in writing and by certified mail at the address provided in this Agreement, or to such other addresses as each party may substitute by notice to the other, which notice will be effective upon
- 14. Title; Return of Units Notwithstanding our designation as "Lessor," we do not own the Units. Legal title to the Units will be in you so long as an Event of Default has not occurred, and you have not

exercised your right of non-appropriation. If an Event of Default occurs or if you non-appropriate, full and unencumbered title to the Units will pass to us without the necessity of further action by the parties, and you will have no further interest in the Units. If we are entitled to obtain possession of any Units or if you are obligated at any time to return any Units, then (a) title to the Units will vest in us immediately, and (b) you will, at your expense, promptly deliver the Unit to us properly protected and in the condition required by Section 11. You will deliver the Unit, at our option, (i) to the nearest Caterpillar dealer selling equipment of the same type as the Unit; or (ii) on board a carrier named by us and shipping the Unit, freight collect, to a destination designated by us. If the Unit is not in the condition required by Section 11, you must pay us, on demand, all costs and expenses incurred by us to bring the Unit into the required condition. Until the Units are returned as required above, all terms of this Agreement will remain in full force and effect including, without limitation, your obligation to pay Lease Payments and to insure the Units.

- 15. Other Documents In connection with the execution of this Agreement, you will cause to be delivered to us (i) either (A) a certified copy of your authorizing resolution substantially in the form attached as Attachment B and a copy of the minutes of the relevant meeting or (B) an opinion of your counsel substantially in the form attached as Attachment C; (ii) a copy of the signed Form filled with the Internal Revenue Service required in Section 8 above as Attachment D; and (iii) any other documents or items required by us.
- 16. Applicable Law This Agreement will be governed by the laws, excluding the laws relating to the choice of law, of the State in which you are located.

### Opinion of Counsel

Re: Governmental Equipment Lease-Purchase Agreement (Contract Number 001-70060189) (the "Lease") Between CITY OF ODESSA ("Lessee") and Caterpillar Financial Services Corporation ("Lessor")

Sir/Madam:

I am an attorney for Lessee, and in that capacity, I am familiar with the above-referenced transaction, the Lease, and all other documents pertaining to the Lease (the Lease and such other documents pertaining to the Lease being referred to as the "Lease Agreements").

Based on my examination of these and such other documents, records and papers and matters of fact and laws as I deemed to be relevant and necessary as the basis for my opinion set forth below, upon which opinion Lessor and any subsequent assignee of Lessor's interest may rely, it is my opinion that:

- 1. Lessee is a fully constituted political subdivision or agency duly organized and existing under the Constitution and laws of the State of (the "State"), and is authorized by such Constitution and laws (i) to enter into the transaction contemplated by the Lease Agreements and (ii) to carry out its obligations thereunder.
- The Lease Agreements (i) have been duly authorized, executed and delivered by Lessee and (ii) constitute valid, legal and binding obligations and agreements of Lessee, enforceable against Lessee in accordance with their terms, assuming due authorization and execution thereof by Lessor.
- No further approval, license, consent, authorization or withholding of objections is required from any federal, state or local governmental authority with respect to the entering into or performance by Lessee of the Lease Agreements and the transactions contemplated by the Lease Agreements.
- 4. Lessee has sufficient appropriations or other funds available to pay all amounts due under the Lease Agreements for the current fiscal year.
- 5. The interest payable to Lessor by Lessee under the Lease Agreements is exempt from federal income taxation pursuant to Section 103 of the Internal Revenue Code of 1986, as amended.
- 6. The entering into and performance of the Lease Agreements will not (i) conflict with, or constitute a breach or violation of, any judgment, consent decree, order, law, regulation, bond, indenture or lease applicable to Lessee, or (ii) result in any breach of, or constitute a default under, or result in the creation of, any lien, charge, security interest or other encumbrance upon any assets of Lessee or the Units (as defined in the Lease) pursuant to any indenture, mortgage, deed of trust, bank loan, credit agreement or other instrument to which Lessee is a party, or by which it or its assets may be bound.
- 7. No litigation or proceeding is pending or, to the best of my knowledge, threatened to, or which may, (a) restrain or enjoin the execution, delivery or performance by Lessee of the Lease Agreements, (b) in any way contest the validity of the Lease Agreements, (c) contest or question (i) the creation or existence of Lessee or its governing body or (ii) the authority or ability of Lessee to execute or deliver the Lease Agreements or to comply with or perform its obligations under the Lease Agreements. There is no litigation or proceeding pending or, to the best of my knowledge, threatened that seeks to or could restrain or enjoin Lessee from annually appropriating sufficient funds to pay the Lease Payments (as defined in the Lease) or other amounts contemplated by the Lease Agreements. In addition, I am not aware of any facts or circumstances which would give rise to any litigation or proceeding described in this paragraph.
- 8. The Units are personal property and, when subjected to use by Lessee, will not be or become fixtures under the laws of the State.
- The authorization, approval and execution of the Lease Agreements, and all other proceedings related to the transactions contemplated by the Lease Agreements, have been performed in accordance with all applicable open meeting, public records, public bidding and all other applicable laws, rules and regulations of the State.
- 10. The appropriation of moneys to pay the Lease Payments coming due under the Lease and any other amounts contemplated by the Lease Agreements does not and will not result in the violation of any constitutional, statutory or other limitation relating to the manner, form or amount of indebtedness which may be incurred by Lessee.
- 11. The Lessor will have a perfected security interest in the Units upon the filling of an executed UCC-1 or other financing statement at the time of acceptance of the Units with the Secretary of State for the State.

### CATERPILLAR INSURANCE COMPANY (CIC) SELECTION FORM

Before financing your equipment, you must arrange physical damage insurance on the equipment identified below. The insurance may be provided through an insurance agent or insurance company of your choice, provided the insurance company satisfies minimum financial requirements.

As an alternative to obtaining your own insurance, you may elect to have your equipment insured under coverage arranged by Caterpillar Insurance Services Corporation, that has been designed specifically for the purchasers of Cat® equipment.

Please complete this form if you elect to insure your equipment with Caterpillar Insurance Company (CIC).

CIC Physical Damage Insurance Policy Summary

Please note: This is only a brief description of the CIC Physical Damage Insurance Program. Contractual provisions contained in the policy will govern.

### Coverage

CIC Physical Damage Insurance protects your equipment against physical damage losses, including collision, fire, theft, vandalism, upset or overturn, floods, sinking, earthquakes and other unfortunate acts of nature. The protection has been designed for owners of heavy equipment and provides superior benefits you most likely would not find in other plans.

The CIC Physical Damage Insurance does include normal exclusions. Some important exclusions are wear and tear, rust, loss of income, war, nuclear damage, and mechanical breakdown, automobiles, watercraft, waterborne shipments, tires or tubes or mobile track belts damaged by blow-out, puncture, and road damage.

#### Repairs

When a covered loss occurs, this plan will pay for Cat® replacement parts on all your new or used Caterpillar equipment. On all equipment from other manufacturers, the plan will pay for comparable replacement parts.

#### Transportation

Your CIC plan will pay for round-trip transportation of covered damaged equipment to and from your Cat dealer's repair facility, up to \$2,500 limit.

#### Rental Reimbursement

The plan allows for rental costs up to \$2,500 that you incur to rent similar equipment following a covered loss. You are automatically protected with up to \$100,000 of coverage for damage to the similar equipment you rent.

in the event of a total loss, the policy will pay the greatest of the following:

- The payoff value of the loan on the damaged parts or equipment as of the date of loss or
- The actual cash value of that covered property; or
- The cost of replacing that property with property of like kind and quality

The policy will pay 10% of scheduled loss, up to a \$10,000 maximum for debris removal.

The policy will pay fire department service fees up to \$5,000

### POLICYHOLDER DISCLOSURE

#### NOTICE OF TERRORISM RISK INSURANCE ACT OF 2002

(as extended by the Terrorism Risk Insurance Extension Act of 2005, and as amended in 2007)

You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2007, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury - in concurrence with the Secretary of State, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended in 2007. However, your policy may contain other exclusions, which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced. The portion of your premium that is attributable to coverage for terrorist acts certified under the Act is: \$0.00

Thank you for selecting Caterpillar products and for allowing Caterpillar Financial Services Corporation to serve your financing needs. Included in this document package are all of the forms that will be needed for standard tax exempt lease purchase transactions. The forms have been designed to be clear, concise and user friendly. We have also provided a brief explanation of the purpose of each form. If you wish to discuss any of the forms or have any questions about any aspect of this transaction, we encourage you to contact your Caterpillar Dealer or Caterpillar Financial Services Corporation at 1-866-263-3791 Option # 5.

- A. Governmental Equipment Lease-Purchase Agreement. The Governmental Lease-Purchase Agreement contains the terms that govern each transaction between us. It is the standard Caterpillar Financial Services Corporation tax exempt lease-purchase agreement, and provides that we will lease to you the equipment described therein pursuant to a full payout amortization schedule. A new Governmental Equipment Lease-Purchase Agreement will have to be signed in connection with each transaction.
- B. Lessee's Authorizing Resolution. The Authorizing Resolution is evidence you have taken the necessary governing body actions to approve the Governmental Equipment Lease-Purchase Agreement. Although the authorizing instrument is often a resolution, it may also take other forms such as an ordinance. We are agreeable to using your customary or standard form provided it contains specific approval for the lease-purchase agreement, designates persons who are authorized to sign on your behalf and either approves the document forms or delegates this authority to a named official C. Verification of Insurance. The Certificate of Insurance is intended to supply information regarding the insurance coverage for the equipment being lease-purchased. You will need to supply the requested information to us so we can verify coverage.
- D. Opinion of Counsel. An opinion of counsel is required in connection with each Governmental Equipment Lease-Purchase Agreement. The opinion is intended to confirm that you have complied with all open meeting laws, publication and notice requirements, procedural rules for governing body meetings, and any other relevant state or local government statutes, ordinances, rules or regulations. We would be unable to confirm compliance with these laws and regulations ourselves absent long delays and higher costs so we rely upon the opinion of your attorney since he/she may have been involved in the process to approve our transaction and is an expert in the laws and regulations to which you are subject. The opinion also confirms that you are an entity eligible to issue tax-exempt obligations and that the Governmental Equipment Lease-Purchase Agreement will be treated as tax-exempt as it is your obligation to ensure that you have complied with relevant tax law.
- E. Form of 8038G or GC. Form 8038 is required by the Internal Revenue Service in order to monitor the amount of tax-exempt obligations issued. You have to execute a Form 8038 for each Governmental Equipment Lease-Purchase Agreement. Whether a Form 8038 G or GC is required depends on the original principal amount of the Governmental Equipment Lease-Purchase Agreement. If the original principal amount is less than \$100,000 Form 8038GC is filled with the IRS. If the original principal amount is \$100,000 or more Form 8038G is filled with the IRS. Choose the appropriate 8038 form and complete according to IRS guidelines. Contact your TM or Sales Support Representative for assistance. IRS Form 8038G

#### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### What's New

The IRS has created a page on IRS.gov for information about the Form 8038 series and its instructions, at www.irs.gov/form8038. Information about any future developments affecting the Form 8038 series (such as legislation enacted after we release it) will be posted on that page.

#### Purpose of Form

Form 8038-GC is used by the issuers of taxexempt governmental obligations to provide the IRS with the information required by section 149(e) and to monitor the requirements of sections 141 through 150.

#### Who Must File

Issuers of tax-exempt governmental obligations with issue prices of less than \$100,000 must file Form 8038-GC.

Issuers of a tax-exempt governmental obligation with an issue price of \$100,000 or more must file Form 8038-G, Information Return for Tax-Exempt Governmental Obligations.

Filing a separate return for a single issue. Issuers have the option to file a separate Form 8038-GC for any tax-exempt governmental obligation with an issue price of less than \$100,000.

An issuer of a tax-exempt bond used to finance construction expenditures must file a separate Form 8038-GC for each issue to give notice to the IRS that an election was made to

pay a penalty in lieu of arbitrage rebate (see the line 11 instructions).

Filing a consolidated return for multiple issues. For all tax-exempt governmental obligations with issue prices of less than \$100,000 that are not reported on a separate Form 8038-GC, an issuer must file a consolidated information return including all such issues issued within the calendar year.

Thus, an issuer may file a separate Form 8038-GC for each of a number of small issues and report the remainder of small issues issued during the calendar year on one consolidated Form 8038-GC. However, if the issue is a construction issue, a separate Form 8038-GC must be filed to give the IRS notice of the election to pay a penalty in lieu of arbitrage rebate.

ISSUE: Contract Approval – EDA Well Study

ACTION REQUESTED: Motion and second to approve Resolution No. 2022-03, authorizing

the Mayor to enter into a contract with Brotcke Well & Pump, Inc. to perform a professional hydrogeologic study contingent on the contract

review and approval of EDA.

#### **BACKGROUND:**

Following the historic flooding of the Missouri River in 2019 the city began immediately looking for remedies to the ongoing threat to the accessibility and operations of our well field. During discussions with the Board of Aldermen, staff, and city engineers, during the flooding and in the time following, that multiple options would need to be explored to minimize our risk and ensure the continuity of providing water service. During those discussions, the Board prioritized moving forward with sustaining the city's water source to ensure our ability to continue to treat water. During evaluations of options, I was provided an opportunity to meet with the Economic Development Administration (EDA) regarding a potential project to relocate our wells (water source) further from the Missouri River. Following the guidance of EDA, and based on the Board's desires, we partnered with Pioneer Trails Regional Planning Commission to apply for a grant to conduct a study to determine feasibility in relocating the wells further from the Missouri River. Our first grant application for disaster funds was not funded. We reapplied through the Economic Development Program and was awarded a 50/50 match grant in the amount of up to \$74,250 for the study. Following the award of the grant the City issued an RFQ for professional services to conduct the hydrogeological study. We scored proposals from three (3) different companies and have selected Brotcke Well & Pump, Inc. They are very familiar with the area and have extensive expertise in projects like ours. We negotiated a contract for this project that was within line to what was estimated/budgeted for. Once a contract is approved by the Board and EDA, Brotcke will make the determinations where the test drills need to be performed. We will have to acquire temporary construction easements with the landowners for the areas they recommend for the test drilling. Additionally, we will issue an RFQ for an Archeological Study of the drill testing sites to determine if there are any historic artifacts in the area prior to drilling.

#### FINANCIAL CONSIDERATIONS:

The project cost based on the scope attached in the contract is for a total of \$133,732.00. It is a 50/50 match grant, so the city's contribution coming from the water fund is \$66,866 for the hydrogeological study.
