New Business:

- A. Sewer Maintenance Fee - This fee was discussed at the last meeting. Mr. Mooney asked Town Manager, Jimmy Williams, to briefly go over the fee and its use. Mr. Williams said the fee would be used to maintain the sewer system. There are always parts to purchase or pumps to replace. With this fee in place, it would allow the town to have access to funds to take care of any issues without being detrimental to the overall budget. Mr. Mooney mentioned that the last pump was about \$15,000.00 to replace. The current water tank maintenance fee is \$2.00, and the sewer fee will be that amount as well.

Adjournment:

Mayor Deventae Mooney made a motion to adjourn the public hearing. Vice Mayor Sharon Still seconded the motion, which resulted in all Ayes.

Respectfully Submitted,

Cathy Sharpe
