

Town Board Meeting Minutes DRAFT
Town of Onondaga
January 5, 2026

The Town Board of the Town of Onondaga met at a regular meeting at 5:00 p.m. on Monday, January 5, 2026 , at the Town of Onondaga Town Hall, 5020 Ball Road, Syracuse, New York.

Present:	Supervisor	John P. Mahar
	Councilor	Kathy Fedrizzi
	Councilor	Lisa M. Goodwin
	Councilor	Ellen Magnarelli Terrien
	Councilor	John Wheatley
	Town Attorney	Nadine Bell
	Town Engineer	Bill Perrine
	Town Clerk	Janet Hillery

1. Pledge of Allegiance

2. Public Comment

Town resident William Kelsey asked if the meeting agendas could specify which committees will be reporting at the meetings. Councilor Fedrizzi said that sometimes it changes and often things are added at the last minute, so to be specific could be misleading. Supervisor Mahar noted the request.

3. WIIA Grant Update – Councilor Kathy Fedrizzi

Councilor Fedrizzi reported that the Town Board received a letter indicating that the Town was awarded the WIIA grant in an amount not to exceed \$ 1,720,274.00 for the Norton Bussey Water District. Councilor Fedrizzi said that the Environmental Facilities Corporation (EFC) will contact the Town to guide us on the program requirements and related processes. The Town sent a letter to the residents of the district notifying them of the grant award. Councilor Fedrizzi said that this was quite a long process, dating back to when the Norton/Bussey Roads residents approached the Town in 2021, making the Town aware of the deplorable water conditions. She said that this is a great deal of money and hopes this will help in providing relief to the residents living with unacceptable water conditions. Councilor Fedrizzi thanked Supervisor Mahar and the Town Board members who worked on this project, namely former Councilor Mary Ryan, who spent quite a bit of time on this. She also thanked our Town Engineer, Legal Team, County Legislator Rich McCarron, and all the bipartisan support we received from public officials that helped move this grant forward.

Town resident Steve Majewski was present and said that an important component was left out of the letter to the residents. He said nowhere does it say what it will cost the taxpayers. **Councilor Fedrizzi** said that we have to discuss the next steps with the EFC. Mr. Majewski said he’s not interested in the next step, he wants to know what it’s going to cost the taxpayers. Mr. Majewski said that when the Town files the report with the EFC, it has to include the updated information, including the correct number of Equivalent Dwelling Units (EDU’s). He said that the only thing that was updated was that it went from being a 60% grant to a 70% grant. He said that in November, the EDU number was 49, but it wasn’t changed to 55 on the financial report.

Town Engineer Bill Perrine said that the original engineers estimate of 55 EDU’s was reduced to 49 after working with the NYS Department of Agriculture and Markets, and it was his understanding that the reduced EDU’s would be effective once the project is complete and EDUs are assessed annually regardless. The engineering report should match the NYS Comptroller’s approved financial plan which included 55 EDU’s, a total NTE construction cost, and cost per EDU when submitted.

Mr. Majewski said that he spoke to the EFC and was told any updates need to be included on the application. He also said that the application lists everyone on the water district and identifies how many units their parcels are. He said that it hasn’t been updated since 2023. **Town Engineer Perrine** said that he has a list from 2025 that they shared with the Department of Ag and Markets with the updated EDU’s and addresses showing the reductions.

Town resident Mr. Kilmore said that the list has to go to EFC for the grant application, along with the financial page, and said the EFC will have to look into this. **Councilor Fedrizzi** said that there have been changes that took place over the past couple of months and will be talking to the EFC about them. **Mr. Majewski** said he spoke with Judy Littrell of Ag and Markets, and that Supervisor Mahar asked it to be expedited before the cutoff date, so the Town Engineer could file the application, but did so without the correct information. **Mr. Majewski** said that that changes the amount from \$2,585 to

\$2,900 per household, and with the \$400 it ends up being \$3,300. Mr. Majewski asked why we don't have the new number, and Councilor Fedrizzi replied that we won't know the cost until it goes out to bid.

Town resident Virginia Kilmore said that she was told that the whole thing would be dead if it didn't pass by a certain date, and that people who wanted it were able to petition to get it passed.

Supervisor Mahar asked at what public meeting was it stated that this would need to be passed by a certain date. Ms. Kilmore said that it wasn't at a public meeting, but believes it was a board member that told her. She said that when she stopped by the Town Hall before the petition signing, she was told that we would only take a "yes" vote, which she thought was strange. **Supervisor Mahar** said that by not signing the petition, that was a "no" vote. She thought it was not happening as the deadline had passed, but then there was a meeting two years ago saying that it had passed. She said it's not fair to the people who thought the project was not happening and this is why she feels like some of residents feel like they are being misled. Supervisor Mahar said that the Town has proceeded under Article 12 of the Town Law from the beginning and will continue to proceed under that law.

Town Councilor Ellen Magnarelli Terrien asked what happens if the amount comes back that is more than individuals can handle financially. **Supervisor Mahar** said that if the bids come in higher than the top line number submitted, (\$2,457,535), approved by the comptroller, then we have to start over. **Town Attorney Nadine Bell** said that the grant is for 70%, but we won't know what the 30% will be until it goes out to bid. If it goes over the \$2,457,535 amount that was approved by the NY State Comptroller, the whole process will need to be started over again, which includes the petition process, the Public Hearings, the Order, etc. **Mr. Majewski** stated that the legal department at the Comptroller's office said that if it goes above \$2,985 per household EDU's, then it would require the petition process again since it would then exceed the acceptable threshold financially per household. **Supervisor Mahar** said that we were told by our legal counsel, that it would not be the EDU total, but total of the entire project. Mr. Majewski suggested our legal counsel contacts the Comptroller's legal department to get the straight answer. Town Attorney Bell said that what is tenable to one may not be tenable to another, but the number was approved by the NYS Comptroller.

Councilor Magnarelli Terrien asked what happens to the grant money if the project doesn't advance. Town Attorney Bell said that she is not sure, but she said we *could* give the money back to the State if we wanted to apply for more. **Councilor Fedrizzi** pointed out that this ends up being a great amount of money since changing from the original 60% grant to 70%. **Virginia Kilmore** said that some residents had more time than others, and Councilor Fedrizzi said that there was a public hearing two years ago, and the process was followed. Ms. Kilmore wants to know how many people will be on the dole paying for this. Councilor Fedrizzi said there is a 4-lot subdivision currently at the planning board stage that will eventually be added. **Supervisor Mahar** said that the project needs to go out to bid, and that the numbers before were just estimates. Once we get the new numbers a letter will go out to the residents with the projected amounts.

Town Attorney Bell said that the report that was prepared in September can be accessed by submitting a FOIL request at the Town Clerk's office. **Councilor Magnarelli Terrien** wondered if we could get an e-mail list together of the affected residents to convey updates. Councilor Fedrizzi and Supervisor Mahar replied that we already have one consisting of those residents that have provided their e-mail addresses, and they have received updates throughout the process.

4. Local Law A-2026 Veteran's Exemption – Schedule Public Hearing

Town Councilor Lisa Goodwin introduced Local Law A-2026 resulting in the following resolution:

**TOWN OF ONONDAGA
TOWN BOARD RESOLUTION
January 5, 2026**

TOWN OF ONONDAGA LOCAL LAW NO. A OF 2026

("A Local Law Amending Article III of Chapter 263 of the Town of Onondaga Code Pursuant to Real Property Tax Law §458-a")

Councilor Goodwin introduced proposed Local Law No. A-2026, amending Article III of Chapter 263 of the Town of Onondaga Code to reflect updates made to New York State Real Property Law §458-a, establishing a full exemption from real property taxes for veterans who have a one-hundred percent

(100%) service-connected disability, and made the following motion, which was seconded by Councilor Magnarelli Terrien:

WHEREAS, Volume 6 N.Y.C.R.R., Section 617 of the Regulations relating to Article 8 of the New York State Environmental Conservation Law, requires that as early as possible an involved agency shall make a determination whether a given action is subject to the aforementioned law; and

WHEREAS, no other agency has the legal authority or jurisdiction to approve or directly undertake the enactment of a local law in the Town of Onondaga, such that there are no other involved agencies within the meaning of the New York State Environmental Quality Review Act (SEQRA) with respect to the proposed enactment of said Local Law, with the result that the Town Board shall act as lead agency in this matter; and

WHEREAS, the adoption of said Local Law is an unlisted action for purposes of environmental review under SEQRA; and

WHEREAS, the Town Board has determined that a short environmental assessment form (EAF) shall be required in connection with this matter; and

WHEREAS, said EAF has been prepared and has been reviewed by the Town Board; and

WHEREAS, the Town Board has considered the adoption of said Local Law, has considered the criteria contained in 6 N.Y.C.R.R. Part 617.7 and has compared the impacts which may be reasonably expected to result from the adoption of said Local Law against said criteria.

NOW, THEREFORE, BE IT

RESOLVED AND DETERMINED that the Town Board has determined this action shall have no significant adverse impact on the environment; that, accordingly, an environmental impact statement (EIS) shall not be required; and that this resolution shall constitute a negative declaration under SEQRA; and it is further;

RESOLVED AND DETERMINED that the Town Board conduct a public hearing as to the enactment of proposed Local Law No. A-2026 at the Town Hall located at 5020 Ball Road in the Town of Onondaga on February 2, 2026, at 5:30 p.m., or as soon thereafter as the matter can be heard, at which time all persons interested in the subject shall be heard.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

5. LWRP GRANT UPDATE

Town Engineer Bill Perrine provided an update on the Local Waterfront Revitalization Program (LWRP) Grant, through the NYS Regional Economic Development Council. He said the Town applied for this in 2024 and the Town was not awarded the grant. It was resubmitted in 2025 and Mr. Perrine reported that we were successful in securing that this time, in the amount of \$106,250. This grant money will be used for the Town and consulting Engineers to develop a program for the Onondaga Creek in Nedrow; to enhance the Onondaga Creek waterfront by creating accessible public spaces, recreational opportunities, and spur economic development. The program will address opportunities to extend trails and improve waterfront accessibility, connectivity and enhance tourism. He made a point to clarify that this grant money is only to be used for a *study* to identify projects to come up with a plan, not for costs associated with construction or plans to build. Supervisor Mahar asked if this would include the Route 11 corridor in Nedrow, and Mr. Perrine said that yes, it would.

Town resident Justin Polly asked that the residents of the area be notified in advance of any potential plans that would affect or involve their property, and Supervisor Mahar agreed to the request.

Supervisor Mahar asked Town Engineer Bill Perrine if the City of Syracuse received this grant, and he replied that he wasn’t sure, but that there has been informal discussion about working with the City on the Creekwalk. Mr. Perrine said that Dorwin Ave is the City/Town boundary line and thinks there is an opportunity to work with the City to potentially extend the Creekwalk. Supervisor Mahar pointed out the differences between the Town and the City, pertaining to ownership of the creek bank, etc., which may pose a challenge which will need to be worked through. Supervisor Mahar said that another idea being considered is for further redevelopment of Kelly Park, which came up during a traffic study.

6. Highway Superintendent’s Report

Town Supervisor John Mahar commended Highway Superintendent John Smith for the outstanding job he and his crew have been doing this winter. **Highway Superintendent John Smith** said that in December alone, we had 60.8 inches of snow, and that it has been one of the worst he has seen. He said his crew deserves the credit for staying on top of it all. Highway Superintendent Smith said that he is in need of another full-time employee and requested the following resolution:

TOWN BOARD RESOLUTION

The following resolution was offered by **Councilor Fedrizzi** and seconded by **Councilor Wheatley** to wit:

BE IT RESOLVED, that the Onondaga Town Board approves the hiring of Paul Warren for the position of Mechanical Equipment Operator on a full-time basis, at an hourly rate of \$26.80, with a start date of 1/19/2026.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

Highway Superintendent Smith also said that he is looking to add another truck in the near future, hoping to add that by November of 2026. He said that the plow route is very long now, requiring more hours. This would be to add a new truck, not to replace an existing one, and is in the budget. Town resident Steve Majewski asked if he’s had any trouble getting salt this year, and he said there is about a 3-5 day wait so far.

7. Fire and Safety Committee Report

Fire and Safety Committee member John Wheatley began his report by congratulating all the newly elected officers at the Town fire departments and wished them the best of luck! Councilor Wheatley requested the following resolutions:

TOWN BOARD RESOLUTION

The following resolution was offered by **Councilor Wheatley** and seconded by **Councilor Goodwin** to wit:

BE IT RESOLVED, that the Onondaga Town Board approves new member Michael Valenti of Breakspear Road, Syracuse, who was accepted into membership by the Taunton Volunteer Fire Department.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
-----------	----------------	-------	-----

Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

TOWN BOARD RESOLUTION

The following resolution was offered by Councilor Wheatley and seconded by Councilor Fedrizzi to wit:

BE IT RESOLVED, that the Onondaga Town Board approves new member Michael Magno of Ivy Ridge Rd, Syracuse, who was accepted into membership by the Onondaga Hill Volunteer Fire Department.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

Town Councilor John Wheatley said that the following request is for members who were previous members of the Marcellus Fire Department Auxiliary and worked closely with the Howlett Hill Fire Department on events over the years. The members said they feel they would be more effective as *social members* of the Howlett Hill Fire Department, resulting in the following resolution:

TOWN BOARD RESOLUTION

The following resolution was offered by Councilor Wheatley and seconded by Councilor Goodwin to wit:

BE IT RESOLVED, that the Onondaga Town Board approves the following new members who were accepted into membership by the Howlett Hill Volunteer Fire Department.

NAME	ADDRESS	STATUS
Jennifer Cebeniak	Sevier Rd., Marietta	Social
Rebecca Somerville	Otisco Valley Rd., Marietta	Social
Olivia Somerville	Otisco Valley Rd., Marietta	Social

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

8. Codes Officer’s Report

Town Codes Director Jeffrey Herrick began by welcoming new Town Councilor Ellen Magnarelli Terrien, and invited her to the Codes Department meetings held on Monday mornings at 9:00 a.m.

Codes Director Herrick reported that 30 permits were issued since last report in December, 25 of them being gas permits which were homes built by Heritage Homes and Cordelle Development. He said they are saving their gas permits to be used in 2026. Mr. Herrick also reported that he received more today from Sal Sciuga and will be holding those permits to be used in 2026 as well. He also reported there have been 4 fire inspections since last report. Mr. Herrick also discussed an issue at Crazy Daisies and said they installed two gas fired heaters just below the ceiling, which is lined with burlap bags. They are currently closed and would typically open in February, but he told them they cannot reopen until this is rectified. Mr. Herrick said the Codes Department is currently working with the owners on this and provided them with the information on the correct furnace to be installed. There were also electrical violations, and they are working with Codes on that as well.

Codes Director Herrick reported that two of the four businesses at the strip mall at 6703 S. Salina Street are out of compliance. He said it is owned by a foreign company that is not returning his calls or accepting mail and said he will be dealing with that this week.

Mr. Herrick also said his evaluation of the Jon Diaz Center is complete, and he will be submitting his report to V.I.P. Structures to approve the building plans. Supervisor Mahar asked Mr. Herrick if he'd seen the site plan review by C&S Engineers that was received today yet. Supervisor Mahar said there were many recommendations and Mr. Herrick said he would follow up with that.

Mr. Herrick also reported that Muncity Training will begin January 20th and will run approximately three weeks.

9. Personnel Committee

Town Councilor and Personnel Committee member Kathy Fedrizzi requested the following resolution in response to retiring Parks Labor Crew Leader, Rich Lamphier:

TOWN BOARD RESOLUTION

The following resolution was offered by Councilor Fedrizzi and seconded by Councilor Wheatley to wit:

BE IT RESOLVED, that the Onondaga Town Board approves the hiring of Joseph D. Czornij for the position of Parks Labor Crew Leader, on a full-time basis, at the budgeted annual salary of \$49,000, with a start date of 1/12/26.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

10. Southwood Park Update

Town Councilor Lisa Goodwin provided an update to the proposed Southwood Park District in Jamesville. She said that she recently received an e-mail from the JD School District Superintendent saying that they will be meeting with their real estate agent tomorrow (1/6/26) to get an approximate value of the land that the Town would like to lease to potentially put in a park.

11. Parks and Recreation Director's Report

Parks and Recreation Director Charry Lawson began her report by welcoming new Town Councilor Ellen Magnarelli Terrien and invited her to the monthly senior luncheons at the Town Senior

Center. Ms. Lawson also requested a pay increase for three of her seasonal laborers, resulting in the following resolution:

TOWN BOARD RESOLUTION

The following resolution was offered by Councilor Goodwin and seconded by Councilor Fedrizzi to wit:

BE IT RESOLVED, that the Onondaga Town Board approves the following Parks and Recreation payroll changes as follows:

NAME	TITLE	BUDGET CODE	HOURLY SALARY	EFFECTIVE DATE
Robert Manipole	Park Laborer	ALPK. 102	\$20.00	12/21/25
Thomas Needham	Park Laborer	ALPK. 102	\$19.00	12/21/25
Gordon Franz	Park Laborer	ALPK. 102	\$19.00	12/21/25

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

12. Town Engineer’s Report

Town Engineer Bill Perrine reported that he was approached by Highway Superintendent John Smith about a sharp curve on Kasson Road leading to Pleasant Valley Road, of which seems to be nearly a 90 degree turn. There was recently an accident there, and Mr. Smith asked if the Town Engineer could look into it and what they recommend in terms of safety precautions. Town Engineer Perrine said that he consulted with one of C&S’s Transportation Principal engineers and asked them to make a site visit. They visited the site, and will be preparing an email memo outlining recommendations for signage so the roadway complies with NYSDOT standards.

Supervisor Mahar discussed with Town Engineer Perrine an issue relating to the Town Hall parking. Supervisor Mahar said that we lost 4 parking spots that are now dedicated to the EV Charging Stations. He also said the number of Sheriff’s cars parked there is well over the 35 spots originally allocated and thinks it’s more in the range of 60. This, along with the snow, has created limited the number of spots available. Mr. Mahar spoke to County Legislator Rich McCarron about a possible grant to add parking and was wondering if Mr. Perrine could give an estimate of what it would cost to add parking that Mr. McCarron could present to the legislature. Supervisor Mahar said he is hoping to add 10 – 12 new spots. Town Engineer Perrine replied that they did do a sketch of two areas to capture more spaces in 2025 and is willing to work with the Town Board on a third area.

Town Engineer Perrine also reported that former Town Councilor Mary Ryan was working to secure a grant from the County to clean out the west branch tributary of Onondaga Creek in South Onondaga where it crosses over to Nichols Road. Mr. Perrine was pleased to report that the grant was awarded to the Town in the amount of \$50,000. It will be used to prepare the necessary DEC and Army Corps of Engineers permits for a Joint Application for Permit for stream disturbance thereby allowing for the potential of construction and mitigation in the future.

13. Budget Modification – Consolidated Drainage

Town Supervisor John Mahar is requesting a resolution to cover engineering expenses incurred due to a temporary easement in Brittany Hills, resulting in the following resolution:

TOWN BOARD RESOLUTION

The following resolution was offered by Councilor Goodwin and seconded by Councilor Wheatley to wit:

BE IT RESOLVED, that the Onondaga Town Board approves the following 2025 Consolidated Drainage Budget Modification:

FROM	TO	AMOUNT
SD599 Appropriated Fund Balance	SD8540.4 CONTRACTUAL	\$600.00

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	Voted	Yes
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

14. Minutes Approval – 12/15/25 Town Board Meeting

TOWN BOARD RESOLUTION

The following resolution was offered by Councilor Wheatley and seconded by Councilor Goodwin to wit:

BE IT RESOLVED, that the Onondaga Town Board approves the meeting minutes of the 12/15/25 Town Board meeting, as prepared by the Town Clerk.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:
