

**Town of Onondaga  
Town Board Meeting Minutes  
March 2, 2026**

The Town Board of the Town of Onondaga met at a regular meeting at 5:00 p.m. on Monday, March 2, 2026, at the Town of Onondaga Town Hall, 5020 Ball Road, Syracuse, New York.

Present:	Supervisor	John P. Mahar
	Councilor	Kathy Fedrizzi
	Councilor	Ellen Magnarelli Terrien
	Councilor	John Wheatley
Excused:	Councilor	Lisa Goodwin
	Town Attorney	Nadine Bell
	Town Engineer	Bill Perrine
	Town Clerk	Janet Hillery

**1. Pledge of Allegiance**

**2. Public Comments**

Town resident **Susan Fisher** was present and asked if there have been any updates to the proposed Norton/Bussey Water District, and if there was an expiration date on the grant. Town Councilor Kathy Fedrizzi said that she has a meeting tomorrow and that a grant agreement is needed before it can go out to bid, which will be discussed at the meeting. She said that NYS has three committees that they will need to meet with and make sure everything is in order. She said that once the grant was received, the EFC team assigned to this project asked for clarification on some items, which the Town immediately provided. It now needs to go through their board of directors to get the grant agreement in place. Town Engineer Bill Perrine confirmed it is ready to go out to bid once this grant agreement is in place. Mr. Perrine also said that there is no expiration on the grant indicated in the award letter, but the Town must show continued progress throughout the process.

**3. Schedule Public Hearing – Local Law B-2026 – Battery Storage Moratorium**

Town Supervisor John Mahar introduced the following resolution:

**TOWN OF ONONDAGA  
TOWN BOARD RESOLUTION  
March 2, 2026  
TOWN OF ONONDAGA LOCAL LAW NO. B OF 2026**

("A Local Law Imposing a Six (6) Month Moratorium on Battery Energy Storage Systems Within the Town of Onondaga")

**Councilor Wheatley** introduced proposed Local Law No. B-2026, imposing a six (6) month moratorium on the siting, establishment, placement, installation, construction, erection, modification and enlargement of battery storage systems within the Town of Onondaga, and made the following motion, which was seconded by **Councilor Magnarelli Terrien**:

**WHEREAS**, proposed Local Law No. B-2026 has been introduced and will be considered for enactment pursuant to the provisions of the Municipal Home Rule Law and Town Law; and

**WHEREAS**, the Town Board has deemed this moratorium urgent and immediately necessary in order to preserve status quo while this issue is examined by the Town; and

**WHEREAS**, Volume 6 N.Y.C.R.R., Section 617 of the Regulations relating to Article 8 of the New York State Environmental Conservation Law, requires that as early as possible an involved agency shall make a determination whether a given action is subject to the aforementioned law; and

**WHEREAS**, no other agency has the legal authority or jurisdiction to approve or directly undertake the enactment of a local law in the Town of Onondaga, such that there are no other involved agencies within the meaning of the New York State Environmental Quality Review Act (SEQRA) with respect to the proposed enactment of said Local Law, with the result that the Town Board shall act as lead agency in this matter.

**NOW, THEREFORE, BE IT**

**Town Board Meeting Minutes**

**March 2, 2026**

**p. 2**

**RESOLVED AND DETERMINED** that there are no other involved agencies, the Town Board shall act as lead agency, and that the enactment of this proposed local law is a Type II action under SEQR, thus concluding the environmental review process; and it is further;

**RESOLVED AND DETERMINED** that the Town Board conduct a public hearing as to the enactment of proposed Local Law No. B-2026 at the Town Hall located at 5020 Ball Road in the Town of Onondaga on March 25, 2026, at 5:30 p.m., or as soon thereafter as the matter can be heard, at which time all persons interested in the subject shall be heard.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	-----	----
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

**Codes Director Jeff Herrick** asked how long the moratorium would be for, and Town Attorney Nadine Bell said that as drafted, it is for six months. She explained that to begin with, it's usually only for six months or a year, as there is case law limiting a municipality's ability to go beyond 18 months. If the Town begins with a six-month period, a committee can be created and work can begin. If the period of the moratorium needs to be extended, the Town Board can do so. Town Attorney Bell stated that from experience, if a municipality starts with a year or 18-month period, the work to create legislation is delayed. Codes Director Herrick said that in the past month, he has received three calls pertaining to battery storage. Town Attorney Bell said that battery storage is no longer tied to a particular renewable energy facility but is increasingly a stand-alone use. Codes Director Herrick cited a case in the Watertown area, in which a large-scale battery storage facility had a melt down and caused a fire. It created a gas cloud that hung over the whole town, causing the area to be evacuated. He also spoke of a gentleman who goes to municipalities and offers instruction and advice on determining what regulations should be in place. He said the gentleman is an expert out of Rochester and teaches Codes classes about battery storage. Mr. Herrick said he will get his name and communicate that to the Town Board. Councilor Magnarelli Terrien asked if the Town could keep a record of any input from Town residents, and it was determined that the Town Clerk's office will maintain a file which will be shared with the Town Board. Town Councilor Wheatley pointed out the possibility of the public hearing being left open, for comments to be provided. Howlett Hill Fire Department President, Frank Valls, was present and suggested that the committee assigned to this may want to contact Gerald Payne at the County Emergency Management Department, as he feels they can offer valuable insight into this.

**4. Community Development Five-year Plan – Schedule Public Hearing**

**TOWN BOARD RESOLUTION**

The following resolution was offered by **Councilor Fedrizzi** and seconded by **Councilor Wheatley** to wit:

**BE IT RESOLVED**, that the Onondaga Town Board schedule a Public Hearing to take place on Wednesday, March 25<sup>th</sup> at 5:30 p.m., pertaining to the 2026 Community Development Five-Year Plan.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	-----	----
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

**2026 COMMUNITY DEVELOPMENT CONSOLIDATED 5-YEAR PLAN  
TOWN OF ONONDAGA**

- First Year** Renovation and rehabilitation of the existing outdated restroom facility at the Town owned and maintained Howlett Hill Park. The renovation would include removal of the outdated bathroom facilities, and construction of an ADA compliant men and women’s bathroom. The men’s bathroom would include one (1) toilet, one (1) urinal, & one (1) sink. The women’s bathroom would include two (2) toilets & one (1) sink. New ADA compliant fixtures and easy to maintain floors and walls will be added. Walls will be paneled to prevent vandalism. A new metal roof will be installed. The exterior will be clean and re-painted. All walkways will be ADA accessible. New LED light fixtures will be installed. Exterior drinking fountains will be added. The existing building will include a small addition to expand the bathrooms to allow for ample space to better maneuver a wheelchair in each stall. Total grant funds requested from Community Development, \$50,000.
- Second Year** Construct a new Town owned park in the Southwood Community and Jamesville-Dewitt School District Area, located south of Southwood Park Drive. Construct a new playground, tennis court, playing field, facilities for picnicking, walking, and other recreational activities. All improvements will benefit the elderly and the handicapped that live in and utilize the area. Total grant funds requested from Community Development, \$50,000.
- Third Year** Install approximately 400 linear feet of 8-inch water main and appurtenances on Orchard Avenue easterly from McFern Road in the existing Nedrow area. The project will benefit a low-income area and provide the area with a reliable public water source that replaces a very outdated system. The project will benefit 14 residential properties. Engineer’s opinion of probable construction costs, \$187,500.
- Fourth Year** Continue to install water mains and appurtenances to finish the upgrades on Orchard Avenue easterly from Midland Avenue in the existing Nedrow area. Install water mains and appurtenances on McFern Road southerly from its intersection with Orchard Avenue and then easterly on Wendell Avenue up to Midland Avenue. Engineer’s opinion of probable construction costs, \$187,500.
- Fifth Year** Continue to install water mains and appurtenances to finish the upgrades on Wendell Avenue easterly from Midland Avenue in the existing Nedrow area. Install water mains and appurtenances on McFern Road southerly from its intersection with Wendell Avenue to Meredith Avenue. Engineer’s Opinion of Probable Construction Costs, \$187,500.

### 5d) Library Committee Report

**Town Councilor and Library Committee member, Ellen Magnarelli Terrien**, reported that the Onondaga Free Library is making some updates to its' building, which includes new flooring in the Community Room on the first floor, as well as some plumbing repairs. They are also installing a *Pomeroy Historical Marker* in recognition of General Lafayette stepping onto the property. She said that the library is grateful for the Town Highway Department's assistance in getting that installed.

Councilor Magnarelli Terrien also reported that the Onondaga Free Library is working on getting an AED installed at the library, and that they are working with a doctor at Upstate Hospital in getting that set up. She said they will be providing training for the library staff on using it, and that they are exploring grant opportunities to help fund it. Supervisor Mahar suggested that they look into purchasing the AED from the Onondaga Hill Fire Department, who may be able to provide a cost savings. Councilor Fedrizzi said that she thinks they should also qualify for a NY State discount. Howlett Hill Fire Department president Frank Valls said that it is important for the library to institute a program for swapping out the batteries. He said the batteries they use for theirs are good for five years, however, they swap them out every six months. Mr. Valls also recommended keeping tabs on the pads and when they expire, but to save the expired ones for training purposes. Parks Director Charry Lawson said that they swap out the ones at the Parks Department every year. Councilor Fedrizzi said she will get the model number her church has, as it has everything included.

### 6. Highway Superintendent's Report

**Highway Superintendent John Smith** reported that his crew has only had about five days off since December 1<sup>st</sup> due to the unrelenting snow this winter. He acknowledged that lawn and mailbox damage has occurred due to the plowing, but he plans to have his crew address those as soon as possible. Superintendent Smith also reported that the Town roads have incurred more road damage due to the number of watermain breaks, amounting to 29, in addition to a sewer break on MacGregor Road. He plans on fixing the roads as soon as weather permits. He also thanked Councilor Magnarelli Terrien, Supervisor Mahar, Councilor John Wheatley, and numerous residents that acknowledged all their hard work this winter in the way of bringing snacks, writing letters, or just stopping by to say thank you. He said his crew really appreciated it.

Highway Superintendent Smith also said he will be going to the *NYS Highway Association Advocacy Day* in Albany on Wednesday. He is hoping to secure more CHIPS funding for road work, as well as address future salt issues, but says they have managed usage this winter well, avoiding any issues. Tier six retirement will also be discussed, as the current model makes it hard to retain employees.

The Highway Superintendent also said that they will be participating in *Earth Day* and will have the Highway Garage open for drop offs on April 25<sup>th</sup> from 9am – 12pm. He reminded everyone that they do take tires, but no electronics.

Councilor Fedrizzi asked Highway Superintendent Smith about the *LENS Program* that the Highway Department participates in. She said the Town is encouraged by the Town's insurance provider to utilize this program however, the Codes and Parks Departments are having a tough time getting through to anyone at the DMV about this. Councilor Fedrizzi asked Superintendent Smith if he had any contacts or suggestions. Codes Director Herrick said he submitted an application six weeks ago, and he

has not heard anything, or received confirmation that they were received. Frank Valls of the Howlett Hill Fire Department said that they had trouble in the past, but that they go through their insurance carrier now. Councilor Fedrizzi said that it's our insurance carrier that is requesting our participation. Councilor Magnarelli Terrien asked that *LENS Program* be explained to those who don't know what it is. Highway Superintendent Smith explained that it is a program through the DMV that alerts employers if an employee receives a driving infraction. It will show any change in the license, such as license suspension, or if points were affixed to the license. Superintendent Smith said they have been using it for years, as it is a requirement for all CDL licensed drivers. Parks and Recreation Director Charry Lawson stated that when she called the number that was provided to her, the man that answered didn't understand what she was talking about. Highway Superintendent Smith said he would contact them and see what he can find out and hopefully move things along.

### 7. Codes Department Report

**Codes Director Jeff Herrick** reported that since the last report, his department has had seven permits and eight fire inspections. He also reported that he and Councilor Fedrizzi will be discussing what to expect for Municipality training, which will be taking place later this month. He also reported on the *unsafe structure* of a strip mall on S. Salina Street that was closed down due to 10 fire code violations. Mr. Herrick said it will be reopening today at 2:00 and he said that it looks better now than it ever has.

Codes Director Herrick also requested several refunds for permits that were issued, however the Town Board would like to review the information first, therefore this will be addressed at the next Town Board meeting.

Codes Director Herrick also requested the Town Board's approval to renew the SPCA contract for 2026. It was noted that the *Town of Cicero* was named in error on the contract, and that we will need a new contract to reflect the *Town of Onondaga*. Codes Director Herrick said since he's been here since last June, he has had four dog calls. The *Animal Cruelty* portion costs the Town about \$6,000-7,000. and *Dog Control* services cost \$23,600. Supervisor Mahar pointed out that we don't know how many calls the SPCA receives directly pertaining to our Town. Councilor Fedrizzi asked if we could get a report on the activity the SPCA engages in pertaining to the Town, and Codes Director Herrick said that he would request that. Supervisor Mahar said it used to be a four-year agreement, but last year it changed to an annual agreement, at the request of the SPCA. Mr. Herrick said he used them once to address the Starlight Lane incident, and it took them 3 ½ hours to get there. Supervisor Mahar said the cost has gone up \$3,000 since last year.

A Town resident asked if every town pays this amount for this service and Town Attorney Nadine Bell said that many do. She said that it is a lot to expect a Town employee to respond to calls at all hours of the night. In addition, there are rules about where the dog can be taken once it is obtained, therefore many municipalities have agreements with the SPCA. Councilor Fedrizzi said that the Town used to have a part-time dog control officer, and it was costly due to the salary, vehicle cost, state retirement, medical benefits, etc. and said it would cost over \$40,000 for that employee. Codes Director Herrick said he would reach out to the towns of Camillus and Geddes to see if they would be interested in entering an intermunicipal agreement. It was decided to wait until the 3/25 meeting to sign the contract once it is corrected to reflect the *Town of Onondaga*, not *Cicero* as it is currently written.

Codes Director Herrick circulated a rendering of the sign that will be on the Peregrine Landing property which will be going to the Planning Board. He also said plans are in the works for the old *Family Dollar* on Seneca Turnpike to possibly become a pool supply store.

### 8. Parks and Recreation Director's Report

**Parks and Recreation Director Charry Lawson** asked everyone to start thinking about filling spring and summer *Parks and Recreation* positions. Positions include *Park Attendants*, *Park Laborers*, and *Recreation Day Camp Counselors*. If anyone knows of anyone who would be a good fit for those jobs, please send them her way. Councilor Fedrizzi asked if the requested documents pertaining to the Town's *Molestation and Abuse Policy* went to the Town's insurance company, and Ms. Lawson confirmed that yes, they have been.

**Town Board Meeting Minutes**

**March 2, 2026**

**p. 8**

**9. Attorney’s Report**

**Town Attorney Nadine Bell** referenced a claim for damages made by the Highway Superintendent as a result of a dumpster, owned and being transported by a company doing work in the area, falling onto a newly paved road on Manor Hill. There was initially some difficulty in being reimbursed by the company’s insurance company for those damages. However, the company’s insurance company has agreed to fully reimburse the Town for the total damages incurred, in the amount of \$10,112.88. Before releasing the reimbursement monies, the insurance company has requested the Town execute a full release of all fixed property damage claims. Attorney Bell said that if the Town is comfortable with the amount of damages calculated, she requests consideration of a resolution as follows:

**TOWN BOARD RESOLUTION**

The following resolution was offered by **Councilor Fedrizzi** and seconded by **Councilor Wheatley** to wit:

BE IT RESOLVED, that the Town of Onondaga Town Board authorizes the Supervisor to sign the *Full Release of All Fixed Property Damage Claims*, in exchange for full reimbursement for damages in the amount of \$10,112.88, relative to the matter involving Vincent Johnson and Action Haulers for a motor vehicle incident that occurred on August 5<sup>th</sup>, 2025, on Manor Hill Drive in the Town of Onondaga.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	-----	----
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

**Town Attorney Bell** also reported on a pending tax certiorari litigation matter involving Brookdale Senior Living Facility, for which a Stipulation and Settlement has been prepared.

**TOWN BOARD RESOLUTION**

The following resolution was offered by **Supervisor Mahar** and seconded by **Councilor Magnarelli Terrien** to wit:

BE IT RESOLVED, that the Town of Onondaga Town Board authorizes the execution of the Stipulation and Consent Order and Judgment In The Matter of the Application of the Brookdale Senior Living Solutions & Merriweg Syracuse LLC vs. the Town of Onondaga Board of Assessment Review, the Assessor for the Town of Onondaga, and the Town of Onondaga, Onondaga County, New York, Index Nos.: 006221/2021, 005636/2022, 007357/2023, 007182/2024, and 007289/2025.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	-----	----
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

**March 2, 2026**

**p. 9**

**10. Town Engineer’s Report**

**Town Engineer Bill Perrine** reported that the request for final reimbursement for the EV charging stations was submitted on 2/20/26. He also reported that the Nichols Road flooding project in South Onondaga requires a joint application for stream disturbance to be submitted to the DEC and the Army Corps of Engineers, and that it was submitted on 2/23/26. Mr. Perrine also said that the Town’s MS4 Annual Report is due April 1<sup>st</sup>, and he’s been working with Codes and Highway to get the necessary information.

**TOWN BOARD RESOLUTION**

The following resolution was offered by **Councilor Wheatley** and seconded by **Councilor Fedrizzi** to wit:

**BE IT RESOLVED**, that the Town of Onondaga Town Board authorizes the Supervisor to sign the 2026 MS4 Annual Report Certification Page when it is complete.

The question of the enactment of the foregoing resolution was duly put to a vote and upon roll call, the vote was as follows:

Councilor	Kathy Fedrizzi	Voted	Yes
Councilor	Lisa M. Goodwin	-----	----
Councilor	Ellen Magnarelli Terrien	Voted	Yes
Councilor	John Wheatley	Voted	Yes
Supervisor	John P. Mahar	Voted	Yes

The foregoing resolution was thereupon declared duly adopted.

Town Engineer Perrine also reported that there is a pump station at the Fuller Farms sewer district. The pressure transducer has failed, and OCDWEP reached out today asking for guidance on what to replace it with. They will be fixing that today or tomorrow. Mr. Perrine also reported that there was a sewer main break at 4926 MacGregor Lane, and is being fixed as we speak. He also said there was another sewer lateral issue at 4909 MacGregor Lane that he is working on getting a quote to have that repaired as well. It may require modifications to the private lateral as well.
